Peaceful County Living Meets Walkable Hampton Charm

Welcome to the best of both worlds â€” a fully renovated ranch-style retreat offering peaceful county living with the walkable convenience of sought-after Hampton. Nestled on a quiet street and zoned for top-rated schools including Hampton Elementary, NDP, and several prestigious private institutions, this 4-bedroom, 3-bath gem delivers comfort, style, and functionality in equal measure.

Step inside to a bright, open layout with refinished hardwood floors, a spacious living room centered around a stone fireplace, and elegant French doors that open to a newly built oversized deck â€” perfect for entertaining or simply enjoying your private backyard oasis.

At the heart of the home lies a stunning designer kitchen, complete with a large island, quartz countertops, ceramic tile backsplash, and premium stainless steel appliances â€” all thoughtfully curated for the modern home chef.

The expanded primary suite is a true retreat, featuring a spa-like en-suite bath with dual vanities, a custom-tiled, with glass tile ceiling,

shower. This bath also has the convenience of an in-room laundry. Two additional main-level bedrooms offer flexibility for guests, office space, or a home gym – all enhanced by natural light, updated fixtures, and hardwood floors.

Downstairs, the finished lower level spans over 60 feet and includes a second kitchen, a large bedroom with full bath, a massive walk-out family room, and generous storage. Whether you envision a home theater, game room, in-law suite, or playroom – this space adapts to your lifestyle.

Step outside to your private, fully fenced backyard oasis featuring a bocce court, a putting green, dedicated corn hole court, and an oversized heated swim spa – all surrounded by mature trees and drenched in morning sunlight thanks to eastern exposure. Take a short stroll down the street, and you will be at the Hampton Pool!

This rare Hampton offering blends modern luxury with timeless charm in one of Baltimore County’s most desirable, walkable communities.
